YIELD INTELLIGENCE

In Your Fields and At Your Fingertips

Turn data into decisions with GHX Yield Intelligence. You'll get a customized MaxScript™ seeding recommendation for the right products at the right planting rate so you can take profit potential to the max.

And it's all backed by boots-on-the-ground support from your GHX team.

- + In-field scouting
- + In-season yield analysis
- + Full-service advising

FINANCIAL FORESIGHT

Extra Coverage. No Extra Cost.

Protect against the weather without added premiums. And maximize performance potential without added risk. With GHX Financial Foresight, you always know you're covered. We share the risk and partner with you to protect profit potential from weather uncertainty and financial volatility.

- + **AGRICLIME WEATHER PROTECTION**
Protect your profit potential with the AgriClime™ Program. Our built-in weather protection offer helps offset the impact of weather conditions during the growing season at no additional cost.

- + **GOLDEN ADVANTAGE 0% EXTENDED TERMS**
Buy now. Pay later. And free up cash flow. The Golden Advantage™ offer is 0% extended terms* funded through Syngenta Seeds and is available to GHX customers for Golden Harvest® Seed and Syngenta Seedcare products.

*Subject to certain terms and conditions.

BUSINESS CONNECTIVITY

Turn Knowledge Into Know-How
